## PROFILE

WordPress Developer with hands-on experience building responsive, conversion-focused websites and WooCommerce stores. Skilled in WordPress, PHP, Elementor, HTML, CSS, JavaScript, Tailwind CSS, Shopify, and Webflow. Experienced in custom UI implementation, WooCommerce functionality, responsive layouts, and interactive web experiences using GSAP and modern JavaScript libraries.

I'm also experienced with Shopify development and custom Shopify sections, which allows me to work across different e-commerce platforms when needed.
